PROPS: Microphone for Neal, giant matchstick for Ben, apron and frying pan for Olive

NEAL: Hi, I'm Neal Down! Are you looking for that special person to spend the rest of your life with? Then log on to Dis-Harmony.com! We'll find you that perfect man or woman. Just listen to this testimonial from Ben Dover.

BEN: *(walks onstage)* That's right, Neal. I was a lonely man until a friend told me about Dis-Harmony. So I gave it a try, and in no time at all, they found me a match. *(holds up matchstick)* Good thing, too, 'cause I had to build a fire. *(slaps his knee and laughs)*

NEAL: *(smiles insincerely)* Very funny, Neal. *(smile turns to frown)* Someone get this guy offstage.

(Bouncer arrives and escorts Ben off)

NEAL: Now, then, let's try that again. Here's a better testimonial from Chris P. Bacon.

CHRIS: *(walks onstage)* Dis-Harmony changed my life completely! I used to be shy and had trouble asking girls out. Then I met Olive Yew and we hit it off right away. Life has been wonderful ever...

(Olive storms on stage wearing apron and carrying frying pan)

OLIVE: I might've known I'd find you goofing off. It's your turn to wash dishes tonight -- or did you forget? *(pause)* Again!

CHRIS: B-b-but, Tastycakes! I did it LAST night, didn't I?

OLIVE: *(raises frying pan)* And you'll do it tonight, if ya know what's good for ya.
