

MISTER PERFECT

Teri: I'm fat! Do you think I'm fat?

Dee: You're not fat...

Teri: Overweight?

Dee: No.

Teri: Plump?

Dee: No!

Teri: Softic?

Dee: What?

Teri: Softic. Ya know, like the paintings Mrs. Lewis showed us in art.

Dee: The ones with the big butts?

Teri: Yeah.

Dee: Definitely not softic.

Teri: Thanks. Ya know what Robert James said ?

Dee: No, what did good old Bobby Jim say ?

Teri: Don't call him that ! No one calls him that after the...

Dee: Accident ?

Teri: I must have been horrible.

Dee: Oh come on !

Teri: Just to think what he had to ...

Dee: Teri he wasn't in a fight, it wasn't an accident. He had a nose job, ya got that. Big bad Bobby James had a bump removed.

Teri: You are kidding ! You can't be ...

Dee: My mom is a friend with his. I heard her talking about it, complaining about how much it cost. Two grand to remove a little bump. Then he comes up with this story...

Teri: That crud !!

Dee: Don't take it personal. Teri ? What did he say ? You were going to tell me...

Teri: Never mind.

Dee: Hey what's the matter ? Teri talk to me.

Teri: ( starts to cry ) He, he told me he liked my love handles !

Dee: Your what ?

Teri: These, these things !

Dee: So... it's nothing to cry about.

Teri: You don't understand it, do you ?

Dee: Understand what ?! That some rocked brained egomaniac with a rebuilt honker likes your baby fat !!

Teri: It's just, it's just that he is so perfect. I mean he was perfect. I could take a remark like that, he was trying to be funny. I wasn't upset, I even laughed...

Dee: It's not worth it. He's not worth getting upset over. He's a jerk.

Teri: He talked to me.

Dee: He cut on you. He insulted you, made fun of you.

Teri: I really don't think Robert...

Dee: HE LOOKED DOWN HIS NOSE AT YOU !!!

Teri: He did ?

Dee: Yeah,

Teri: What did he see?

Dee: Not a bump that's for sure.

Teri: What did he see?!

Dee: I don't know...

Teri: He looked down his nose at me and what did he see?

Dee: You?
